Law Enforcement Preventive Maintenance Plan

Huuso Bio offers a flexible solution to caring for your department and vehicles.

Customized maintenance plan tailored to your department's needs.

Scheduled service includes cleaning, disinfecting, and deodorizing of specified areas.

You determine the areas we focus on and how often.

Schedule monthly, quarterly or semi-annual service on the following areas:

Jail/Holding Cells
Squads & Vehicles

Evidence Rooms & Lockers
Processing Areas

Front Entrance Ways
And Much More!

The benefits of a maintenance plan:

Limits the liability of your department

Reduces cross-contamination and blood-borne pathogen exposures

Improves overall appearance and cleanliness

Provides peace of mind to personnel and visitors

Earn FREE emergency decontamination services based on choice of frequency.
